Unfinished Business

- Councilmember Marks said he spoke with someone who does security systems. It would cost about \$3,000 to install a system that is capable of recognizing and reading license plates and \$20/month for web hosting. Council felt it wasn't a huge issue and may be more than we want to do.

- Councilmember Tomczik asked about whether anything is being done to install a grate or make other changes to the dam to prevent carp from jumping into the lake. Mayor Holter said the county owns the dam and he thinks it's a DNR issue.
